

Project

Situation:- when only a few teammates are joining the meeting on time.

Solution:- we assertively talk to each of them and tell them if we do not join the meeting, our project will be delayed.

Situation:- completing each part of the project at the proper time

Solution:- we give them a proper time to complete their portion we talk to them assertively and try to keep meeting after a regular interval.

Situation:- during the last day of video making.

Solution:- we convince each teammate to be on time for video making so that the link of the video can be generated on time

Part-2

Solution:-1 if my best friend wants my bike for an emergency condition I will give my back to him but if he asking my back on regular days and does not return it on time and does not refuel it then I will tell him not to take it in an assertive manners

Solution2:- no in that situation I will tell him clearly that if there Is any work in my project then I will ask you to do it and then I will put your name in my project and before that I can't do anything

Solution:-3 In this I will talk to him in a very assertive manner that if you give your money then I will check that whether I have time to buy your thing then otherwise not.

Solution:-4 I will talk to him in a very assertive manner sir please not chew other in front of the class

Solution:-5 I will call the waiter politely and tell him to go and tell to a man that here family also come and smoking is not allowed here please go outside and smoke privately

Solution6:- I will talk to my colleague in a very assertive and tell him please brother you should bath regularly and have a washed clothes proper nails and try to make properly clean
